The Journey

The Hunza Cherry Blossom Tour is one of the most photographically spectacular tours in our portfolio. Every spring, Hunza Valley transforms into a breathtaking canvas of soft pinks and creamy whites across ancient terraces, historic fortresses and glacial river banks — all against the dramatic backdrop of Rakaposhi (7,788m) and Ultar Sar (7,388m). **Key Highlights** Eagle's Nest (Duikar, 3,200m): The most dramatic aerial perspective of the blossom season — the entire valley spread below in pink and white, with glaciers at the valley's end. Baltit Fort: A UNESCO-listed 700-year-old fortress above the blooming valley. The path from Karimabad Market to the fort is itself a blossom corridor. Altit F
